Enjoy a FUN game of La Lotería Mexicana!

The rules are similar to bingo; players mark spots on a tabla, or board, with a token and attempt to fill it before all other players. The announcer randomly pulls colorfully illustrated cards like “La Luna,” or “El Arbol,” that match spaces on the tablas. A shout of “¡lotería!” or “¡buenas!” declares victory for one lucky player, ending the round.

Must be age 60 or over to play.
